Logos should never be used in the text of a headline or sentence. When using Texas Legal™ in a sentence, (TM) appears superscript after the word Legal the first time it appears in copy on a page.

The Texas icon should never be used except in conjunction with the words Texas Legal as shown here.

Size: To ensure legibility, the logo must be at least 1 inch wide.

1 inch wide minimum

Clear Space: The area surrounding the Texas Legal logo must be kept clear of other graphics and text. This area should be a minimum of 1/4 inch on each side of the logo.
