

The Legal Document You Can't Live Without: A Living Will

90 percent of people think talking with loved ones about end-of-life care is important.

So why have only 27 percent of us actually done so?

When it comes to legal essentials, a living will - a document that allows you to specify what kind of medical treatment you would and would not want in case you were unable to communicate your wishes - is absolutely necessary, no matter your age or stage of life. [Read More...](#)
