

## All Members: Update Your ID Theft Benefits with Experian

Our identity theft protection provider, AllClearID, was recently bought by Experian. For privacy reasons, AllClear is unable to automatically transfer your personal information to Experian, **so every member needs to re-register for their identity theft benefits with Experian.**

We apologize for the inconvenience, but we really want to make sure your identity is protected. A few minutes hassle could save you hours of difficulty and frustration, not to mention, thousands of dollars!

If you never signed up for AllClearID, now's your chance to protect your identity too.

## Did you know... ?

You can get an attorney's advice on any legal issue you're dealing with, even if you don't need a lawyer to step in quite yet. **Your legal plan covers 2-4 attorney consultations a year**, meaning you can sit down with an attorney to get advice and learn what the law says. Not only is it free, but talking to an attorney before a question becomes a problem can prevent some serious legal hassles!

## What Legacy Will You Leave Your Family?

What do you want to leave behind when your journey on earth is over? Two of our network attorneys, Matt and James Davidson, spend a lot of time thinking about how they can help their clients think through their legacy to their families and communities through estate planning and charitable giving. It's not just about money, but about the values and peace of mind you can leave your family through a will or a trust. **[Read more about how to leave your legacy with the Davidson brothers.](#)**
