

## Fertility Treatment: Why You Might Need an Attorney

More Americans than ever before are using modern medical technology, or know someone who has, in order to create a family. But you might not realize that getting fertility treatments doesn't just require a trip to the doctor's, but to your lawyer's office too.

If you've considered using fertility treatments like IVF or know someone who is, read up on **why it's important that you speak with an attorney and understand the legal process** of becoming a parent with advice from expert attorneys in Texas Legal's network.

### Taking Care of Your Family

Family is the most precious thing in our lives, but sometimes the most complicated. That's why **every Texas Legal plan** comes with family law coverage \* to help you navigate situations like marriage, divorce, custody or fertility issues like those mentioned above. Your family deserves a good lawyer, and with Texas Legal by your side, you can afford one!

\*Coverage for divorce or custody order starts six months after your Texas Legal membership begins. Attorney consultations or document preparation coverage is available immediately.

**Are You an  
Organ Donor?**

*"He talked about how proud he was of our children. About how grateful he was to have me at his side through thick and thin. It was one of those precious moments when our souls did all the talking. It was a day I will hold in my heart forever. As it turned out, it was our last day."*

February 14th is Valentine's Day, but it's also Donor Day, the day we celebrate a love so strong it continues to give even after a person is gone.

**Read more of Jesse's story** and consider signing up to be an organ donor like he was. It's easy to do at **[donatelifetexas.org](https://donatelifetexas.org)**.

**"Everyone needs to  
have protection  
like this. They offer  
so many services.  
Definitely a  
great value."**
