New postal service feature: helpful tool or opportunity for ID thieves?

A new post office service is supposed to prevent identity theft by sending you a daily picture of what mail you're going to receive. But it turns out it can actually do the opposite - allow thieves to register as you and get a heads up when to steal your mail. [Learn what you need to know about this ID theft risk](#), and remember, Texas Legal members get free identity theft coverage and protection from AllClearID.

"So grateful for
this service.
My attorney was
terrific!"
